

NEW SUMMER PREVIEW FORMAT

This year instead of mailing a booklet and additional pages with information, the weekly *Preview* will be emailed. These newsletters will give timely information regarding preparing for and the beginning of school. Please read carefully for information you will need for the 2019-20 school year.

COMMUNICATION

HPCS strives to communicate information to parents through a variety of channels. Included in this newsletter are some of the ways you should expect to receive information.

HPCS ONLINE-Calendar information and other general information regarding HPCS may be found on the HPCS website at www.hpcsonline.org.

HP PREVIEW-The *Preview* is sent home each week with students in K5-6th grades.

HP EMAIL-A weekly email is sent to parents that includes information from the newsletter and other updates.

SOCIAL MEDIA-Be sure to check out the “Hampton Park Christian School” Facebook page as well as Twitter and Instagram for school news.

ALERTS-HPCS will send alerts to parents by means of texts, emails, and voicemail to communicate emergency information or changes to the school day schedule.

BILLING-All billing and payments are processed through FACTS, which is available through the ParentsWeb login.

To view your balance, make payments, update personal information, or chat with a live representative, access your FACTS account by clicking on “ParentsWeb” and the “FACTS” button. The first bill from FACTS should be received at the end of the month before payment is due the following month. Families may access FACTS to change pay plans or payment methods.

The address to mail payments to FACTS is:

FACTS Management Co., P.O. Box 2597, Omaha, NE 68103-2597 or call 866-412-4637.

This past year FACTS and RenWeb became a single company: FACTS.

You’ll find lots of helpful information on FACTS ParentsWeb. Access FACTSmtg.com and then FACTS Family Online (ParentsWeb)
