Lockers

With the change to lockers this year, students will not need to practice opening their lockers. Students may put items in their lockers during Open House on Friday, August 9, from 6:00-8:00 p.m.

Schedules and locker numbers will be available from homeroom teachers the night of Open House.

Students may use only school-issued locks for lockers. Locks will be issued to students who would like them the first day of classes. Any student desiring a lock should go to the office to obtain one.

Chromebooks

Upper school parents, check your email for the principal's post announcing Chromebooks for grades 7-12 this fall. Dr. Priest describes why HPCS is going to 1:1 computing in upper school and answers common questions about our Chromebook program. The school will be providing Chromebook covers, so no need to shop for one yourself. If interested in digital textbooks, please check with the publisher to determine if the textbook you're shopping for can be accessed on a Chromebook.

Vehicles

Students with a valid driver's license may drive to and from HPCS. Vehicles must be registered with the school office by obtaining a form from the office or completing it online on ParentsWeb.
